6 Beautiful Beachfront Residences & 28 Beautiful Apartment Residences

## NishaVille Beachfront Residences

6 beautiful beachfront Residences - located on a 28-acre (70 rai) luxury resort and residential mixed-use development. The NishaVille residences features 6 luxuriously-appointed villa residences and 28 apartment units in superb location next to the Wanakorn National Forest and Marine Park, with kilometers of pristine beach that stretches endlessly to the north. The NishaVille Residences share the site with the NishaVille Resort and Spa, and hence owners can enjoy the personal luxury and privacy of their own residences as well as those of the finest hotel in the area. The community has been laid out to ensure that the residences and resort truly complement each other. The resort is never intrusive, always convenient and ready at a moment's notice to provide an additional layer of services, choice and luxury to meet your needs.
